

## CURRICULUM VITAE

**Name** Dr. med. Wolfgang Peissner  
**Date of birth** 25<sup>th</sup> Feb 1972 in Amberg.

**Position** Post-Doc / Scientist  
University of Munich  
Dr. von Hauner Children's Hospital  
Div. of Metabolic Diseases and Nutritional Medicine

**Training** Medical School (1993 – 2001)  
University of Cologne and University of Munich

Internships and Medical Training  
in Pediatrics, Neonatology, Prediatric Surgery, Internal Medicine, Urology,  
Dermatology, Gynecology/Obstetrics and Experimental Neurology.

**Scholarship** Grant for full duration of medical school from the Freistaat Bayern (BayBFG)

**Postgraduate Training** Residency  
in Pediatric Surgery and Pediatrics (2001-03)  
at the Dr. von Hauner Children's Hospital, University of Munich

in Pediatrics (2006-07)  
at the Children's Hospital Harlaching, Munich.

**Thesis** Max-Planck-Institute for Neurological Research / University of Cologne (2007)  
Expression of Apoptosis-related genes in the central nervous system,  
Radiosensitivity of experimental tumours and neurogenic brain cells.

**Current Research** Metabolomics, mass spectrometry-based metabolic profiling,  
multivariate analysis of complex biological datasets.

**Memberships** German Society of Pediatric and Adolescent Medicine (DGKJ),  
Metabolomics Society ([www.metabolomicsociety.org](http://www.metabolomicsociety.org)),  
European Nutrigenomics Organisation (NuGO).
